Local Artists Paint the Town

On Tuesday, July 15 some 29 local artists pledged their support to the Mattapoisett Free Public Library's Capital Campaign by participating in "Paint the Town ... A Fresh Paint Event" co-sponsored by Rogers Gallery and Surroundings. The artists set up their easels at various inspirational places of their choosing throughout the seaside village starting at 8:00 in the morning and painted until 2:30 pm. Upon completion, the finished works of art were displayed under the tent at Shipyard Park where a Silent Auction commenced to purchase the newly-created images of Mattapoisett. At press time bids were still being accepted through 7:00 pm and were to be announced at 7:30 pm. All proceeds from the auction will benefit the Mattapoisett Free Public Library's *Writing the Next Chapter ... Capital Campaign.*

Among the artists whose freshly-made paintings were available for purchase: Andy Anderson (Mattapoisett); Laura Anderson (Mattapoisett); St. George Tucker Aufranc (Mattapoisett); Henry Avery (Mattapoisett); Mary Avery (Mattapoisett); David Baggarly (Providence, RI); Virginia L. Barry (Marion); Christine Bean (South Dartmouth); Dot Boudreaux (Rochester); Peg Cooper (Mattapoisett); June Clay (Westwood, MA); Anthony Days (Mattapoisett); Carolyn Dlouhy (Mattapoisett); Yvette Gelineau (Carver); Priscilla Hathaway (Mattapoisett); Barbara Healy (South Dartmouth); Bea Johnson (Mattapoisett); Roni King (Mattapoisett); John Kingman (Cambridge, MA); Elizabeth M. Klim (Mattapoisett); Stanly Leavitt (Fairhaven); Mike Mazer (Mattapoisett); Margaret McIntosh (Newburyport, MA); Ann M. Mello (Mattapoisett); Frances D. Miller (Mattapoisett); Gerald Ohlman (Mattapoisett); Charlie Parsons (Marion); Lalie Schewadron (Boston); and Sylvia Slattery (Mattapoisett).

On the cover: *Mattapoisett artist Ann M. Mello found inspiration in the picturesque setting of the town's landmark Ned's Point Lighthouse for her watercolor painting during the "Paint the Town" fund-raiser for the Mattapoisett Library this past Tuesday. The event was one of many planned as part of Mattapoisett's Annual Harbor Days Week, which culminates with three days of food, fun and entertainment this weekend in the town's Shipyard Park. (Photo by Kenneth J. Souza).*

Later that night, more than a dozen Mattapoisett restaurateurs also served up their support for the library with "A Taste of the Town" from 5:30 to 7:30 pm under the tent in Shipyard Park. Area residents were able to sample the picnic pleasures of their choosing on the lawn while enjoying live musical entertainment from El and Bill's Acoustic Duo and the Wallace and Gries Duet from 5:30 to 8:00 pm. Local restaurant participants included Brad's, Cerulli's, George's Take-Out Deli, Lesco Distributors, Mattapoisett Chowder House, The Mattapoisett Inn, The Nest Diner, Nick's Homemade Pizza, Oxford Creamery, Parma, Seaport Village Ice Cream and Coffee Shop, Shipyard Galley, Turk's Seafood and Uncle Jon's Coffee.

"We are especially grateful," Campaign Chairman Bob Atkinson said, "to Allan and Mary Schubert, event coordinators and the Friends of Mattapoisett Library and (the Mattapoisett) Lions Club for their continued support and to the many local residents and businesses that have offered both monetary and in-kind donations to the Mattapoisett Free Public Library's *Writing the Next Chapter ... Capital Campaign."*

Penfield Posters

Edward Penfield, American illustrator, 1866-1925, called "the originator of the poster in America," is best known for his *Harper's Illustrated* posters. The Mattapoisett Free Public Library was given several WWI posters in 1920, as a gift from a YMCA canteen worker who had been stationed in France during the war.

Most of these posters were sold at auction last year (thanks to the Friends Quaker Meeting) to benefit the library's *Writing the Next Chapter* Public Library Campaign to renovate and expand their building, making it accessible to all. This summer they will raffle one of two remaining posters, in its original unframed condition, to raise additional funds that will help them meet the $1.6 million-dollar goal.

The Friends of the Library will sponsor a *Victory Girl Raffle* during this year's Harbor Days Celebration. Tickets will be available at the Friends' Annual Book Sale at Shipyard Park on Thursday, July 17 and at the Library Booth during the weekend. A framed copy is available for viewing at the library. The drawing will be held on Labor Day, September 1, 2003.

Pulmonary resuscitation; and 3. Automatic defibrillation. Mr. Nelson praised the Mattapoisett response team of EMTs and the special training of the Advanced Cardiac Licensed EMTs.

Thereupon he presented the Board of Selectmen with a Certificate of Recognition for Mattapoisett for its improved response to sudden cardiac arrest and designation as a Heart Safe Community. The Selectmen thanked Mr. Nelson and were unanimous in their praise for Chief Lyons and the EMT Response Team and for the cooperation between the Police and Fire Departments in helping to save lives in this community. Mr. Nelson then unveiled two roadway signs for either end of town proclaiming this a Heart Safe Community by order of the Massachusetts Department of Public Health.

At 7:15 pm the board met with Superintendent of School Dr. William Cooper, and Andrew Lynch, Chairman of the Mattapoisett School Committee concerning recent discussions about instituting a full-day Kindergarten program. After Dr. Cooper explained the advantages of a full-day session, Chairman Lynch discussed the budgetary and space restrictions facing Mattapoisett and Rochester. The School Committee would prefer to have all three towns begin the program at the same time. There is no space for Mattapoisett until Center School is finished, and Rochester has no space at the present time and would have to probably go to portable classrooms.

Considering increased costs facing the enlarged Center School, Mr. Lynch felt that all discussions should

be aiming at 2005 or beyond. Since this is not a mandated program and considering the projected costs and very limited budget, Chairman Lynch does not favor Mattapoisett going forward with this program at this time.

Selectman Lombard then took this opportunity to present a chart of Tax Rate Projections through FY 2007 and Sewer Project Betterment costs to the individual homeowners. The outlook, even without further overrides, is grim. The Selectmen agreed that they would like to receive at least an estimate of the costs of opening Center School for inclusion in the upcoming budget. The next meeting of the School Committee is August 10, and Chairman Lynch hopes to have those numbers by September.

At 7:58 pm, the board met with Fire Chief Ronald Scott and Conservation Commission (ConCom) Agent Elizabeth Leidhold for an oil spill update. The work has entered a new phase this week going from mechanized to hand cleaning which is a slow, tedious process. Residents will not see large scale equipment in use, but that does not mean that work is not being done. Residents are asked to be vigilant in spotting oil and to notify the Fire Department at 508-758-4150 between 6:30 am and 6:30 pm. Unfortunately, cleanup is not properly accomplished without trained personnel. Chief Scott is pleased with the progress of the cleanup and Chairman Denham reiterated his praise of the Fire Department and their first response team for preventing the spread of oil into the marshes. The Division of Fish and Wildlife has been testing the shellfish beds regularly with the latest test last Monday. Hopefully results will be available by the end of the week.

Selectman Andrews suggested that a letter signed by the Board of Selectmen should be sent to federal representatives urging the restriction of only double-hulled oil barges in Buzzards Bay. State Representatives

Barney Frank and William Delahunt are in favor of this regulation.

At 8:00 pm the Selectmen met with Town Counsel Daniel C. Perry, Library Trustee Chairman Mary Magee, and Trustee Clayton Hagy concerning putting written policies in place for library personnel in dealing with the so-called Patriot Act. It was agreed that the procedure would be spelled out for any personnel faced with a law enforcement officer and a search warrant for patron information. A list of numbers will be posted for them to contact Town Counsel or someone in his office so they can call immediately and have the attorney handle the matter.

The Selectmen unanimously agreed to rescind the policy requiring department heads to contact Ms. Adams for permission to contact Town Counsel. This situation, although unlikely, requires immediate response. The Selectmen then had several procedural questions concerning record-keeping for the Trustees to address.

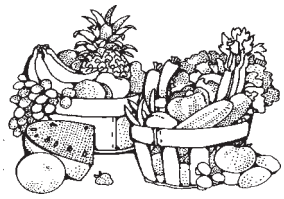

Under Outgoing Correspondence for the week, the board sent:

Gaspar. It is also suggested that the third member be a Selectman or FinCom member, and that an alternate be appointed. The Selectmen accepted Mr. Nicholson's recommendation.

• Memo from Alewives Anonymous informing the town of the year's herring counts. This year's count is down almost 50 percent.

• Memo from the Finance Director/Town Accountant with regard to the oil spill. Judith Mooney listed all the names of all salaried employees and hours worked that have been submitted to Bouchard Transportation for reimbursement.

Ms. Adams reported that she had received a list of fee increases from the Building Inspector. Furthermore, the application date for the Town Administrator's position closed last Friday. There have received 45 applications. Procedures for screening must be followed properly by the Board of Selectmen. The initial screening of applications should be accomplished by next Friday, and the process then can begin in Executive Session and finally in Open Session.

The last order of business dealt with appointments. The Selectmen appointed Cindy Johnson to the Mattapoisett Housing Authority. They then approved the appointments of the Bike Path Study Committee. Chairman Denham recused himself from this vote.

There being no further matters to come before the board, the meeting was adjourned at 8:55 pm.

Under incoming correspondence, the board received:

• Letter from Arthur F. Benner, President of Alewives Anonymous, Inc., regarding the 2003 herring counts and his concern over the fact that the counts are "less than one half" of last year's count. According to Mr. Benner, the final count from the Mattapoisett River run of 24,795 was "very disheartening" when compared to last year's 49,984.

• Letter from resident Lee Dougall expressing concern over the town's current watering limitations. "This system is difficult for people who work or have other commitments away from home during those hours," Lee wrote. As an alternative, Lee suggested restricting watering between the hours of 8:00 am and 6:00 pm instead of the current limited window allowing watering between 6:00 and 8:00 pm on odd/even days. The board agreed to take this matter under advisement.

• Letter from Jeannine G. Dickerson expressing her interest in serving on the Marion Recreation Committee. The board agreed to take this matter under advisement and would consider making the appointment at their next meeting. They also noted the need for another person to bring the Recreation Committee membership to seven.

In other matters, the board:

• Discussed a recommendation from the Personnel Advisory Board suggesting that part-time elected officials *not* be eligible for health insurance coverage in the future. "It's just something we don't feel we can afford," Selectman Bryant said.

"I concur with this ... I think the thought is if there is an inducement needed (to run for office), it should be regular wages," Chairman Jeffrey said. "Insurance (costs) have become a burden on the town. It's our recommendation that part-time elected officials not be eligible for insurance benefits."

"Full-time officials — over 20 hours a week — are eligible for insurance benefits under state law," Ms. Enroth-Whitlock explained. "But part-time, elected, compensated officials ... the state law leaves it up to the Board of Selectmen as to whether they're eligible for health insurance. That category is handled a little bit differently."

"Anyone who is currently (enrolled) in the program, would continue to be," Chairman Jeffrey said.

With that, the board unanimously voted to adopt this new recommendation as made.

• Discussed current committee vacancies for the following: Conservation Commission (alternate): term expires May 31, 2005; Marine Resources Commission: term expires May 31, 2006; Marion Housing Committee: term expires May 31, 2004; Music Hall Advisory Committee: term expires May 31, 2004; Wastewater and Water Planning (plant upgrade, utility): term expires May 31, 2004; and one seat on the Marion Recreation Committee. Those interested in serving on any of these should submit a letter of interest to the Board of Selectmen, c/o Marion Town House, 2 Spring Street, Marion, MA 02738.

• Voted to reappoint Fire Chief Richard Guerzoni for a three-year term; voted to reappoint Kevin Snow as Shellfish Officer for one year; and voted to appoint Karen Wood to the Council on Aging (COA) to fill out a vacant two-year term.

• Considered a water abatement request from Janet B. Keeler for water services and metered readings at 101 Cove Circle which Ms. Keeler felt were "way out of

"I feel confident that this is a situation where they can adjust the water bill," Selectman Bryant said. With that, the board voted to refer this matter back to the Department of Public Works (DPW) to issue a revised estimated water bill for the address and also to abate the portion of the bill that was deemed inaccurate.

• Received a grant from the Executive Office of Public Safety in the amount of $1,300 pending completion of paperwork, to which the board designated Ms. Enroth-Whitlock to sign and file on their behalf.

• Discussed a recent meeting with the Sewer Expansion Subcommittee held on July 9 and their Sewer Expansion Hook-Up Recommendation for several neighborhoods in town. "One of the biggest issues is if the town were to take the responsibility to hook up the sewer (line) to the homeowners' property, we'd have to get easements," Selectman Bryant said. "The homeowner has an interest in making sure the property is maintained ... the town should really not be in the business to manage adjustments to landscaping on private property. So, the

subcommittee is recommending ... the town install the sewer line to the property line, and the property owner will be responsible for installing the sewer line ... to their house. We'll approve licensed installers to do the work. We'll probably recommend to each neighborhood that they put (the work) out to bid."

Ms. Enroth-Whitlock said neighborhood meetings are being scheduled for several nights in August to inform residents of the pending sewer expansion project. Although the plan was to previously do this work in phases, it has been determined to be more cost-effective to do all areas at once.

"When we started meeting with the engineers, they said your best cost is to do it all at once," Selectman Bryant said. He also noted that there wouldn't be any exceptions for betterments — if there's a buildable lot with frontage on the roads being upgraded, the owner will be charged the betterment, "whether there's a house on it or not," he said.

• Discussed a recent meeting of the Water Planning Subcommittee and the town's pending plans to join forces with Wareham and Fairhaven in a regional water district. "Our priority as far as water sources for Marion remains in the Mattapoisett River Valley," said committee member Lee Hayes. "I think the water committee is really committed to seeing that that piece works. As far as Wareham, we're looking at them as a potential backup source, not as a primary source. I think we're going to put 80 percent of our emphasis on the Mattapoisett River

• Considered appointing a Village Parking Committee to look into parking alternatives for the center of town. "We think it's time to commission a task force to make recommendations on how best we can solve our parking situation in the downtown area," Selectman Bryant said.

"There's been discussion over commercial property along Route 6 and I want to assure the businesses in the center of town that we're not forgetting them," Selectman Pierce added. "I feel strongly that we really have to find some solutions."

Under the Town Administrator's report, Ms. Enroth-Whitlock noted the rescheduled Chapter 40B Housing Appeals Committee (HAC) Hearing has been slated for Wednesday, August 27 at 10:00 am at the Marion Music Hall.

Selectman Pierce said he attended the recent meeting in New Bedford with State Representatives Barney Frank and William Dellahunt regarding the recent oil spill in Buzzards Bay. "In the course of the discussion, there were two or three very important ideas," he said. "One is that many states are the masters of their fates relative to navigation ... but Massachusetts leaves it to the Coast Guard. The idea that just as the boats and fishing fleets have GPS, but towing boats do not, it should be a requirement. The other idea is to require that any hazardous debris such as oil (entering Buzzards Bay) would have to have two tugboats running parallel, attached to the barge."

The board noted their next regular meeting will be held on Tuesday, August 5 at 7:00 pm. There being no further matters to discuss in Open Session, the board unanimously voted to go into Executive Session at 8:16 pm to discuss strategy with regard to litigation and negotiations with non-union personnel. They would

IF YOU CAN'T PAY THE MORTGAGE

There's no such thing as a free lunch in the field of finance. Since homes are universally bought on credit, the mortage bill comes due once a month. If hard luck befalls you due to illness or a job layoff and you can't come up with your monthly payment, what happens? You'll have to pay your bank a penalty -- typically 5% of the amount overdue.

If you know you're going to miss a payment, take a hard look at your financial situation. Are your problems temporary (an unexpected home repair bill or brief job layoff)? If so, get in touch with the bank and explain your situation. Many banks are willing to work out a temporary solution, such as suspending a mortgage payment or two.

However, if it appears that there is no way you can resume payments, the best answer may be to sell your house as quickly as possible -- before the bank forecloses. Most houses are worth more than the remaining mortgage. It is foolish to risk losing the equity through indecisiveness.

pending plans to permanently leave her position in October/November.

Returning to Open Session at 7:05 pm, the board met with Police Chief Paul Magee and members of the Finance Committee (FinCom) regarding his recent request to either repair a recently damaged cruiser or purchase an emergency replacement vehicle. Currently, the department's fleet is down to only two cars from four — one vehicle is permanently out of service and another was recently involved in a serious collision, sustaining an estimated $4,200 in damages.

"I have a feeling when they remove the panels, they may find some additional damage underneath," Chief Magee said. "They are several lease options available. They basically do a three-year lease-to-own. The only concern I have about that is the time frame. It sounds like upwards of a month to get financing done."

FinCom Chairman Michael Costa suggested going with a leasing option for now until a Special Town Meeting could be held in the fall. At that time, if the budget allows, the cruiser could be purchased outright without incurring any penalties. "Leasing is really the only option he has now," Mr. Costa said. "There isn't any money in his capital budget (to purchase a new cruiser)."

"As long as everyone is in agreement, I think we should move forward," Selectman Laboa said.

"If we bought a new vehicle right now, the cost was going to be $27,193," Chief Magee said. "There are some (equipment items) which can be transferred from

The board next unanimously voted to approve Chief Magee's recommended changes in the Police Department's Use of Force Policy as made at last week's meeting. The board also unanimously voted to adjust the hourly rate for part-time police officers and the sole police matron to $12.19 per hour as recommended by Chief Magee.

At 7:20 pm the board next met with Susan Peterson of the Rochester Land Trust regarding land transfer issues and so-called "right of first refusal" properties in town. Ms. Peterson was concerned that a couple of recent applications submitted via the Board of Selectmen were not properly formatted under state law.

"Our expectation is when it doesn't meet the letter of the law, you'd send it back to the property owner and say 'fix it,'" Ms. Peterson said. "We can't tell because the application is deficient. The reason I came in is because we got four (more) the other day."

According to Ms. Peterson, the Land Trust receives these applications and has to respond as to whether or not the property would be in the town's best interest to purchase and retain as open space.

"The way the law is written, you're allowed to give us permission in your stead to survey the property (in question)," Ms. Peterson said. "It sometimes takes us (time) to look at it, but we still try to do our due diligence. The way the law is written is quite clear."

"This is news to me," Selectman Nunes said. "I didn't know there was a problem ... with the filing process."

"We don't want to beat people up, but we need to be consistent," Ms. Peterson said, adding that in most cases it's just a matter of needing a specific map location or more detailed descriptions. "The way the law reads is much more strict than what I'm saying. But we don't want to make it impossible for people."

"If it's (a parcel) that everyone agrees no one would be interested in, there's no need to drag out the paperwork," Chairman Parker added.

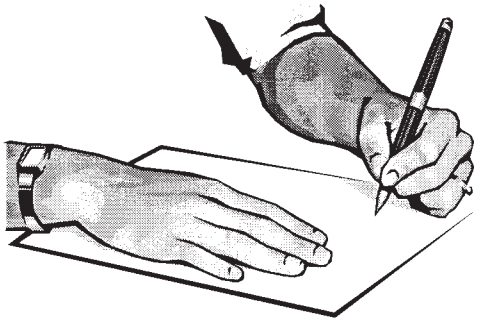

"It's not going to take a lot to do it right," Selectman Laboa said. "If you can reasonably identify where the land is, then you can make a determination if we're

Mr. Huntoon agreed to prepare a checklist for such applications in the future so that all the information is filed correctly.

The board next unanimously voted to approve the minutes of the July 7 meeting, then gave authorization to Chairman Parker to sign a training agreement in order to receive two defibrillator units from the state Executive Office of Public Safety.

In other matters, the board:

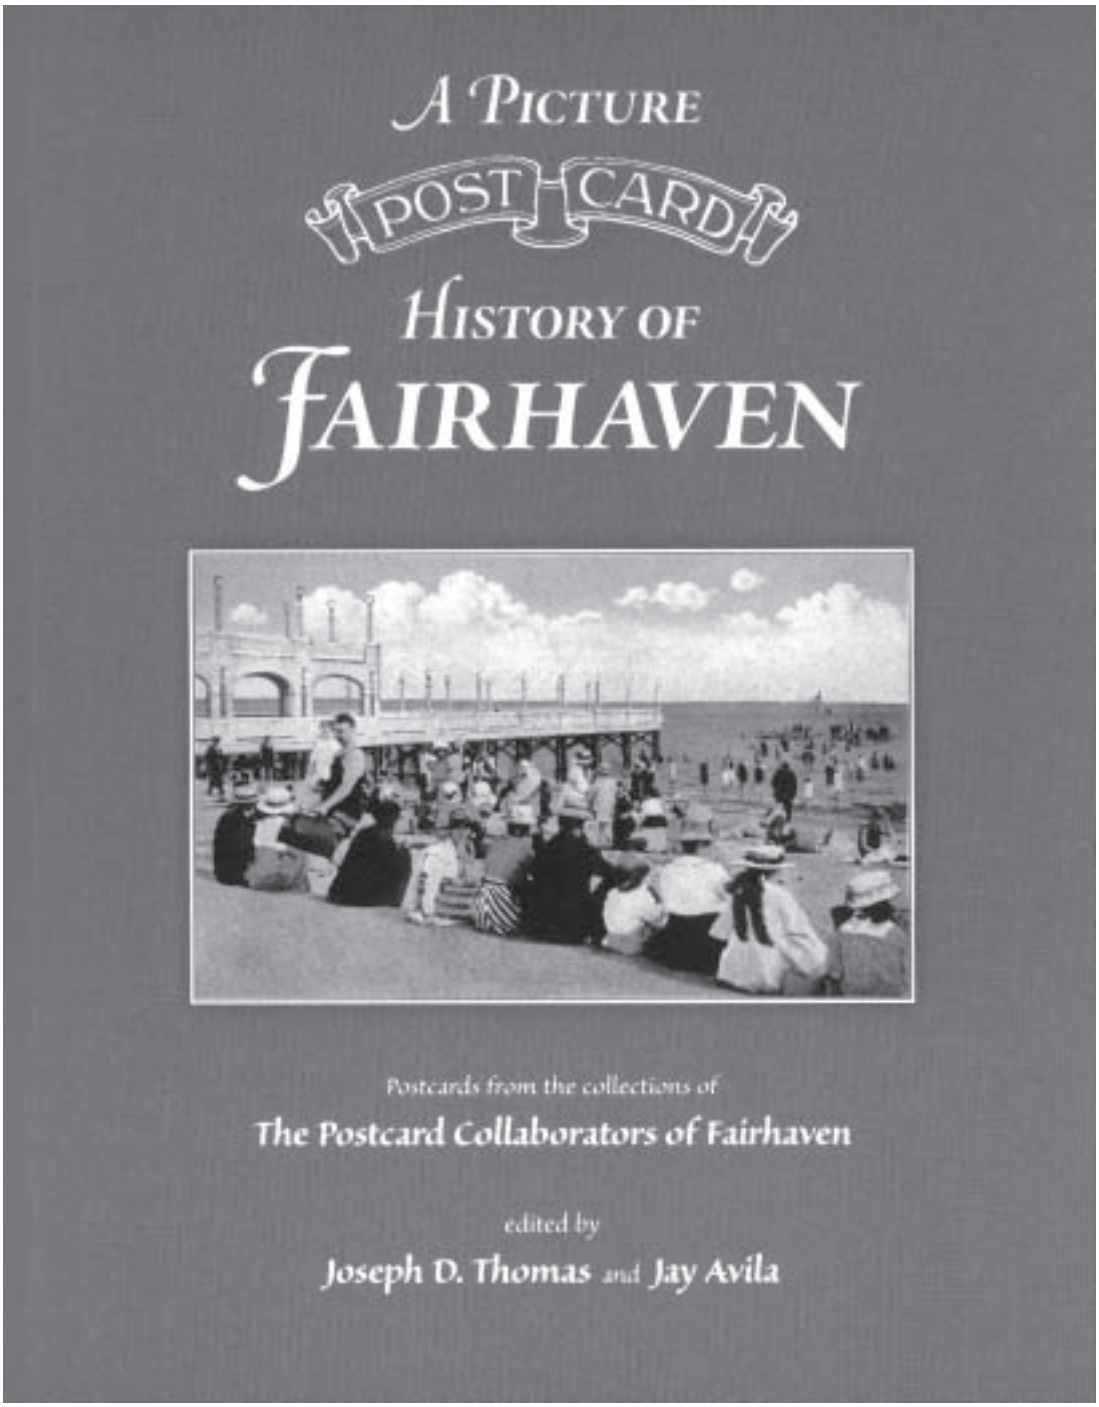

• Discussed reviving the Rochester Housing Opportunity Partnership (HOP) in the wake of recent resignations and the lack of meetings. "Since (former Selectman) Richard (Cutler) left, (HOP) hasn't had any meetings," Selectman Nunes said. "I don't think it's right for the committee to die. I think if there are people in town who are interested in affordable housing, there should be new people coming on the committee."

• Agreed to check with both Mattapoisett and Marion Shellfish Officers regarding some $2,700 currently in a Rochester account earmarked for "Shellfish Propogation." Marion Shellfish Officer Kevin Snow recently sent a letter to the town asking about accessing these funds. But Mr. Huntoon noted that Rochester has shellfishing rights in both coastal communities.

• Received a check for $5,480.28 to cover services rendered during the recent oil spill in Buzzards Bay on April 27.

• Received a check in the amount of $251,899 from SEMASS for payment in lieu of taxes for some 96,513 tons of refuse collected during the month of June 2003.

• Received a letter from Alewives Anonymous, Inc. informing them of the recent fish counts in Snipatuit Pond. This year's final count from the Mattapoisett River run of 24,795 herring is "less than one half of last year's count of 49,984" according to President Arthur F. Benner. "The current year's count is down by more than 80 percent as compared to the highest count recorded (in 2000) of 130,296," Mr. Benner wrote.

Under New Business, the board noted that former Selectman Patricia Ryan had been serving as the representative to the Library Building Committee, and she has expressed interest in continuing on in that capacity. As such, the board members unanimously agreed to allow Ms. Ryan to continue as Library Building Committee representative.

Mr. Huntoon asked the board to sign a deed which was previously approved via a Special Town Meeting vote on the so-called Mello property. He also reported on a meeting held last week with the Memorial School Building Committee and was "very impressed," adding that they are "very focused" on the project. Given that the proposed school renovations are estimated to cost between $3 and $5 million, Mr. Huntoon said the cost for engineering plans would likely fall somewhere between $250,000 and $300,000.

In meeting with members of the Finance Committee (FinCom) however, they expressed concern over funding both the proposed Memorial School expansion and pending library renovations in the current fiscal climate.

"When you think about priorities, the school is more important than the library in certain people's minds," FinCom Chairman Michael Costa said. "Knowing

that we're going to have another large project, are we giving the library due consideration? We've got $1 million for a library and we've got an unknown amount for school construction. Going forward now with a Special Election in September and a Special Town Meeting in October ... I think we gave the library the impression that we'd support it. But now with the school project, I think we're getting cold feet about supporting it."

"I would love to give the library what they want ... and allow us to take advantage of the $1.7 million state grant," Selectman Nunes said. "But with the (Memorial School) addition ... the priority I see is the school. At this time I can't support the library expansion."

Chairman Parker said. "Whether the voters (support it) or not. Between the FinCom and the Board of Selectmen, we left the Library Trustees with the impression that they'd have a Special Election in September."

"Looking at the fiscal situation we're in now, it's difficult to support everything," Selectman Laboa said.

The board had previously planned to hold a Special Election on September 10 and a Special Town Meeting vote on the library project on October 6. As such, they agreed to ask the Library Trustees to meet with them next week (July 21) to discuss this further.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:45 pm.

Animal Advice

Jay Gould, DVM

New Cat Care

I have acquired a third cat and am wondering what veterinary care he needs?

The first thing is to take the cat to your veterinarian and have him tested for Feline Leukemia Virus and Feline AIDS. If he tests positive for either of these viruses you will have to decide whether you want to risk exposure of your other 2 cats. If you decide to keep a leukemia or feline AIDS positive cat he should be kept indoors so he doesn't interact with your neighbors cats. All cats should be vaccinated for Rabies and Distemper as well as for upper respiratory viral infections.

PREPARING TO RETIRE, OR ALREADY RETIRED?

HOW TO MAXIMIZE RETIREMENT YEARS AND WEATHER TURBULENT TIMES

To My Friends and Neighbors,

I would like to take this opportunity to introduce myself and invite you to visit me at Integrated Solutions. Traditionally we are a financial service company offering residents personalized attention. We pride ourselves in recommending options for investing and managing retirement funds tailored to meet the needs and goals of each individual client.

May of 2000 was a wonderful time in my life because I discovered the charm of country living and purchased my home in Rochester. Having spent 22 years on Cape Cod in the village of Osterville and building my practice primarily in that area, I had to become accustomed to traffic, long lines, and extended waiting for dinner reservations. What a pleasure it is not to have to contend with such things any longer.

Leaving my home the drive to my office takes about 5 minutes, and I am surrounded with all the beauty and charm that the Rochester Eastover Farm affords. Since moving my office into the former Country Store located on the Eastover Farm property owned by Robert Hiller II, many of my business associates who have visited me here cannot resist the opportunity to gaze at the horses grazing in the pastures next to my office space, or walk about the grounds admiring the overall beauty and location of my place of business.

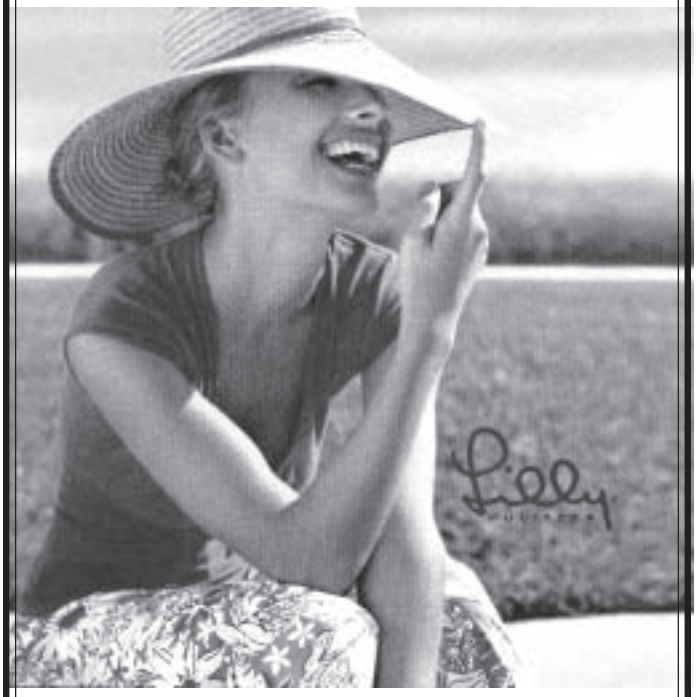

I indeed feel very fortunate and that is why I am taking the time to extend my personal invitation to anyone in the area who would be interested in of looking at options and strategies that may assist them in making their money work more efficiently for them in either pre or post-retirement.

Call Edward J. Haggerty, Sr. at Integrated Solutions for an informative, confidential, no obligation meeting.

Marion Beach Bash

The time is fast-approaching for the annual Sippican Lands Trust Open Space Beach Bash on August 21 at Silvershell Beach. The yearly party to benefit the Lands Trust efforts to preserve open space in Marion has a new Caribbean theme, with an island menu of steamers and mussels, fish chowder, jerk pork, and grilled mahi mahi, garden salad, freshly baked rolls, and steamed new potatoes. The children's barbecue includes hamburgers, cheeseburgers, hot dogs, chips and watermelon.

Music by El Caribe Steel Band will mark the early evening, followed by dancing to the reggae/ska band the X-ToNes. The annual event is a family affair to celebrate and learn about Sippican Lands Trust projects and accomplishments. This year will include a book signing by Marion's Peter Stone who has recently published a beautiful new book Sanctuaries. A raffle table will be another feature of the event.

Notices were mailed to all Marion residents last week with ticket order forms, and tickets are also available at the Marion General Store, The Bookstall, Isabelle's and Spirits. Adult meals are $35 and children's are $8. Come on out for a great beach bash on August 21!

The following teaching staff at Rochester's Memorial School recently participated in "Confratute, 2003," the international conference/institute on educating gifted and talented children and youth held July 7-18, 2003 at the University of Connecticut: Danni Kleiman (Grade 5 teacher); Elisa Hedberg (Grade 3 teacher); Joanne Smith (Art teacher); Susan Ellis (Music teacher); Gary Cushman (Physical Education teacher); David Polidi (School Adjustment Counselor); Janice Leary (Special Education Teacher); Paul Santos (Title One Tutor); Jody Church (LIFT Instructor); and Jay Ryan (Principal).

Also from the ORR School District: Jennifer Boudreau (Kindergarten teacher at Center School in Mattapoisett).

Now in its 26th consecutive year, Confratute, sponsored jointly by the Neag Center for Gifted Education and Talent Development at the University of Connecticut, and the Connecticut State Department of Education, has distinguished itself as one of the world's most definitive conferences/institutes on gifted education. A primary feature of Confratute is the converging of prominent leaders in the field upon a single site for two weeks to interact and consult with teachers, administrators, and parents eager to learn about exceptionally able youngsters.

Movie Review

Pirate's Gold

By Rob Gonsalves
http://robsreviews.cjb.net

***Pirates of the Caribbean: The Curse of the Black Pearl.* Starring Johnny Depp and Orlando Bloom. Directed by Gore Verbinski. Running time: 134 minutes. MPAA rating: PG-13.**

What you've heard about *Pirates of the Caribbean: The Curse of the Black Pearl* is more or less true: the movie exists for Johnny Depp and wouldn't exist without him. Given a role in a big-budget Disney film, Depp goes at it as though it were a private, subversive experiment; he plays the scurvy pirate Jack Sparrow ("*Captain* Jack Sparrow," he always clarifies) as a gay Gary Oldman (think Drexl in *True Romance*) channeling Hunter S. Thompson. His mannerisms are so specific that when co-star Orlando Bloom, as the comparatively bland hero Will Turner, briefly mimics Jack's loopy motions, it gets a big laugh. Like many another great farceur, Depp stylizes Jack's constant drunkenness, achieving a kind of addled grace.

The rest of *Pirates of the Caribbean* is competently mounted if essentially uninspired action-adventure, with some anti-climactic moments, some cavernous dead spots, and a generally sputtering pace. The premise is that a crew of cursed, undead pirates is looking for the final piece of Aztec gold that will lift their curse. Political daughter Elizabeth Swann (Keira Knightley of *Bend It Like Beckham* possesses this piece, which she plucked off the semi-conscious body of Will Turner when they were both children. Will, a blacksmith now, loves Elizabeth from afar, but skunky imperialist Norrington (Jack Davenport) claims her hand, with the approval of her obsequious governor dad (Jonathan Pryce).

The dynamic is familiar: the sincere Will is Luke, the imperilled Elizabeth is Leia, and the disreputable scoundrel Jack is Han Solo. *Pirates of the Caribbean* comes closer to the uncomplicated thrills of the original *Star Wars* trilogy than George Lucas' own recent *Star Wars* attempts have. When the movie sticks to simple pleasures — like the deftly choreographed duel between Will and Jack (hey, where's Grace and Karen?) when they first meet — it's fine. But the script suffers from the common clever-writer affliction of forced linkage, wherein everything has to be connected in some way. A late-inning revelation about Jack, for instance, diminishes his stature as a flawed, human anti-hero, and the bitter history between him and Captain Barbossa (Geoffrey Rush), the commander of the zombie-pirate ship the Black Pearl, feels a bit rote.

POTC is amiable fun (if draggy at two hours and fourteen minutes) but almost instantly forgettable, except for Johnny Depp's running self-amusement. Director Gore Verbinski seems to lack focus and personality; he'll direct any high-concept stuff you toss his way, whether a kiddie farce (*MouseHunt*), a romantic comedy (*The Mexican*), a remake of a Japanese horror smash (*The Ring*), or now a screen version of a Disneyland ride. Verbinski and writers Ted Elliott and Terry Rossio (*Shrek*, *Treasure Planet*) are serviceable second-tier hacks who lucked into big hits and now appear to have sworn never to endanger their status as rainmakers.

A pirate movie — especially a modern one like this or *Cutthroat Island* (much more fun, I thought) — has the advantage of those massive, suicidal sea battles wherein two ships float within yards of each other while firing cannonballs back and forth. (One neat moment: Jack's crew runs out of cannonballs and has to load the cannons with whatever comes to hand.) There's the obligatory sailing-in-a-violent-storm bit, and much growling and baring of rotten teeth, and poor, delicately beautiful Keira Knightley gets passed from man to man and ship to ship while stifling in a tight corset. Bah. Give me Geena Davis's freewheeling pirate queen in *Cutthroat Island* any day; helpless purity is hard to care about.

If *POTC* is to be remembered, it will be for the effortless skewed professionalism of Johnny Depp, who has become one of our great chameleons and one of the most honorable and inquisitive stars in the business. Depp approaches Jack as a colorful supporting role — the movie's main arc belongs to Orlando Bloom, who doesn't do much here that he didn't do as Legolas — and he throws vanity to the wind and creates a surly wreck of a man who nevertheless can rise to the moment and turn into a fierce warrior. Conceptually, the character is tired, but what Depp does with it has the restless energy of a hungry character actor trying to break through in a big summer movie. Depp, however, doesn't care about breaking through; he's done that already. He just wants to keep himself interested and entertained, and he takes us with him.

tractor, enter it in the parade or in Rochester's Antique Tractor Pull will soon be painting, buffing and fine-tuning their favorite tractors.

Last year the fair inspired many locals to fix up their tractors. Jack Faustino painted his Ford 8N for the occasion. Members of the Rochester Cubbette's, Mary Bessey, Julie Koczera, and Carol Grime, each displayed their Farmall Cubs with a fresh coat of paint for the tractor show and parade.

This year Bruce Thompson of Fall River is fine-tuning his Cockshutt for the Antique Tractor Pull. Last year Mr. Thompson placed second in the event's 5,000-pound weight class. Ed Bessey of Rochester is currently restoring a 1940 RC Allis Chalmers which everyone hopes to see on the fair grounds this year.

So whether you prefer to see a red, green, orange or grey tractor, rusty or restored, you'll be sure to find them all at the Rochester Country Fair! Career Options

By Kenneth J. Souza
news@wanderer.com

If it wasn't for the School to Career Program at Old Rochester Regional High School, Rochester senior **Aleshia Carlsen** might have wasted a great deal of time and money in college studying to earn a degree in psychology. But after securing two volunteer internships through the school-to-work program, however — one at the Gateway Adult Center in Marion and a second at the Eye Health Vision Center in Dartmouth — she has since decided optometry suits her better than matters of the mind.

"I wanted to major in psychology," Ms. Carlsen admitted. "But after (working at) Gateway, I decided it's not for me. I always thought about optometry ... (so now) I want to major in biology. I would have wasted a lot of money in college. I had my mind set."

So when former instructor Elizabeth Leatham sat her and fellow ORR students down back in January to break the news that her position and the School to Career Program itself was about to come under the budgetary axe, she felt she needed to do something about it. After attending several School Committee meetings to defend the program and plea for its continued support, she was finally given the go-ahead to embark on a fund-raising crusade to raise an estimated $35,000 to keep the ORR program alive.

"It was considered one of the more (expensive) programs, that's why they decided to cut it," Ms. Carlsen said. "We asked the School Committee to reconsider."

Even though the School Committee found themselves between a rock and a hard place given the current fiscal climate in the state, they did support Ms. Carlsen's campaign to fund-raise for the School to Career effort. In fact, she received early $100 donations from both Associate Superintendent Tim O'Connor and School Committee member Deborah DeWalt.

As the *de facto* champion of the ORR School to Career Program, Aleshia has collected close to $5,000 in donations since fully committing herself to raising money in May. And even though the original $35,000 goal now seems unlikely by summer's end, she's still hoping to raise at least another $16,000 to sustain interships for a nominal 10 to 15 students — a far cry from the close to 100 serviced during this past academic year. That bare-bones amount would at least cover the school's participation in Bridges.com ($1,000), needed supplies ($2,000), and salary for a part-time teacher ($18,000).

Tri-town residents have been mostly supportive of Aleshia's efforts and they held a benefit car wash at the Mattapoisett Fire Station recently which brought in another $450. "A lot of people were very generous," Aleshia said. "They gave us $20 when we were only charging $5 to wash cars."

The event was so successful, in fact, that the Mattapoisett Fire Department has graciously allowed them to use the station again this **Saturday, July 19**, to hold another **Car Wash** in tandem with the busy Harbor Days weekend. In lieu of the more traditional informational booth at Shipyard Park, Aleshia and her friends will instead be washing cars from **10:00 am to 2:00 pm** to raise both money and awareness for their endangered School to Career Program.

If nothing else, it would appear Aleshia's participation in the ORR School to Career Program has taught her the importance of tenacity.

"(The School Committee) assured us the money we've raised will be used for School to Career," she said. "If we came close to raising money for a teacher, but didn't, we'll do field trips ... and stuff that we've never done."

Donations payable to "School to Career Fund" can also be sent to: **Tim O'Connor, Associate Superintendent for Business and Finance; ORR School District; 137 Marion Road; Mattapoisett, MA 02739**.

the show features veteran performers Sheila Furtado, Steven Hemingway, Chris Morey, Bruce Lackey and Marianne Oien, along with Jordan Butterfield, who recently dazzled the audience with her performance in *Les Miserables*.

The show runs on July 17, 18, 19, 24, 25, and 26. Beginning with the hit "There's No Business Like Show Business," the songs are interspersed with vignettes, dance numbers and skits that showcase the amazing versatility and talents of Berlin and the Marion Art Center cast.

There are novelty tunes like "Puttin' on the Ritz" first performed in 1915 as well as jazz classics like "Alexander's Ragtime Band" and 40's favorites from his many Broadway hits like "Anything You Can Do." Berlin may be most famous for patriotic songs like "God Bless America" which will feature Sheila Furtado and company. There are also ballads like "How Deep is the Ocean" and "Always" plus the ever-popular "White Christmas" and "Easter Parade." Irving Berlin lived to be 101 years old and was planning to write another Broadway show in his final year!

Reservations may be made by calling the Marion Art Center at 508-748-1266. Tables may be reserved for parties of four or more while they last. Tickets are $16.50 for MAC members and $20 general admission. Seating is limited, first come/first served, so early reservations are recommended. Visa and Mastercard are accepted.

Sippican Historical Society

Summer Exhibits

The Sippican Historical and Preservation Museum has opened for the summer. During July and August the museum will be open Tuesday through Friday, 10:00 am to 1:00 pm; Saturday, 10:00 am to 2:00 pm; and will be closed Sunday and Monday.

This year the museum is presenting two exhibits: the main exhibit called "The Magic of Marion: Summer People of the Guilded Age," and a collaboration with Tabor Academy called "Elizabeth Taber Women, 1877-1957."

The main exhibit includes Joe Jefferson, Mr. and Ms. Richard Watson Gilder, Charles Dana Gibson, President and Ms. Grover Cleveland, and the Sippican Hotel and Casino. View a painting done by Jefferson, read the poems Gilder wrote about Marion and see the Sippican Hotel in its glory. The Elizabeth Taber Women exhibit explores the role women played in "The School and the Sea." View the many artifacts on display.

Anyone wishing to be a docent should stop by the museum any morning they're open and sign up for a few hours of time well spent.

SALOME'S STARS

ARIES (March 21 to April 19) Your persistence pays off as the information you demanded starts to come through. The pace is slow at first, but it begins to speed up as the week draws to a close.

TAURUS (April 20 to May 20) An unwelcome bit of news jolts the Bovine who would prefer that things proceed smoothly. But it's at most a momentary setback. A Leo brings more welcome tidings.

GEMINI (May 21 to June 20) You need to pay close attention to the details before making a commitment. Don't accept anything that seems questionable, unless you get an answer that can be backed up.

CANCER (June 21 to July 22) Congratulations on getting that project up and running. But as exciting as it is, don't let it carry you away. Make sure you set aside time to spend with family and friends.

LEO (July 23 to August 22) Be sure you're part of the discussion involving your suggestions. Your presence ensures that you can defend your work, if necessary. It also helps gain your colleagues' support.

VIRGO (August 23 to September 22) A misunderstanding needs to be dealt with, or it can grow and cause more problems later on. Be the bigger person and take the first step to clear the air.

LIBRA (September 23 to October 22) Set some strict guidelines for yourself so your heavier-than-usual work schedule doesn't overwhelm the time you need to spend relaxing with loved ones.

SCORPIO (October 23 to November 21) You might feel a little uncomfortable being among people you hardly know. But remember that today's strangers can become tomorrow's valuable contacts.

SAGITTARIUS (November 22 to December 21) Reward yourself for all that you've accomplished despite some annoying situations that got in your way. Enjoy a well-earned getaway with someone special.

CAPRICORN (December 22 to January 19) Realizing that someone else is taking credit for what you did is bound to get anyone's goat, but especially yours. Be patient. The truth soon comes out.

AQUARIUS (January 20 to February 18) Forget about opposites attracting. What you need is to find someone who thinks like you and will support your ideas, even if others say they're too radical.

PISCES (February 19 to March 20) Workplace problems can affect your financial plans. Be prudent and avoid running up bills or making commitments until things begin to ease up by the 25th.

BORN THIS WEEK: Your intuition helps you communicate easily with people and understand their needs.

Celebrate Buzzards Bay

On April 27 we were all reminded how important Buzzards Bay is to our region and how fragile it is. The Bouchard 120 oil spill has affected all of us. The Coalition for Buzzards Bay (CBB) invites everyone to join in celebrating the Bay on Saturday July 19, 2003.

"Celebrate Buzzards Bay 2003" highlights the role a clean and healthy Buzzards Bay plays in all our lives. Join in celebrating this irreplaceable natural treasure. All proceeds from Celebrate Buzzards Bay 2003 on Saturday, July 19 will benefit The Coalition for Buzzards Bay.

This day long event is kicked off by the Tenth Annual Swim Buzzards Bay at 9:30 am. The 1.2-mile open water swim across outer New Bedford Harbor starts at Davy's Locker Beach in New Bedford and finishes at Fort Phoenix State Beach in Fairhaven. Swimmers ranging in age from 15 to 83 participate in Swim Buzzards Bay. The relatively calm, warm waters draw serious competitors, first-timers, families, teams and everyone in between — year after year proving that Swim Buzzards Bay is attractive for every age, ability, and fitness level. All swimmers receive a medal after they cross the finish line. An awards ceremony is held at the conclusion of the event.

Registration is $25 per swimmer and all swimmers raise a minimum of $125 in pledges. Registration forms can be found at **www.savebuzzardsbay.org** or picked up at 620 Belleville Avenue in New Bedford.

Thank You St. Jude for Prayers Answered
C.M.P.

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude,worker of miracles, pray for us. St. Jude, helper of the hopeless, pray for us. Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. C.S.

Novena to Saint Jude
Oh Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you, I have recourse from the depths of my heart and humby beg to whom God has given such power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. Say 3 Our Fathers, 3 Hail Mary's, and 3 Glories. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This must be said for nine consecutive days. This Novena has never know to fail. L&Y

Marion Natural History Museum

Nature Programs

The Marion Natural History Museum will be offering summer nature programs for Pre-Kindergarten to Kindergarten on Wednesday from 1:00 to 2:00 pm this summer. Susan Dawson, an experienced and entertaining preschool teacher, will be presenting a short lesson and working on a craft project during each program. The schedule is as follows: July 23: Ladybugs; July 30: Frogs; August 6: Shells; and August 13: Rabbits.

The cost for each program is $4 for members and $5 for non-members. Come and join them for this great program for the "younger set."

Summer Programs

All Summer 2003 Programs at the Marion Natural History Museum will be held from 9:00 am to 12:00 noon, Monday through Friday.

• Life Along the Shore (Grades entering 1-2) – This program will find participants seining the shore and exploring the plants and animals that live in the area's coastal habitats. With the use of games, journals and introductory science techniques, this will be a wonderful first look at life in our coastal environment. Cost is $150 for members, $200 for non-members and runs August 4-15 (Session II).

• Watershed Exploration (Grade entering 3-4) – With the use of microscopes, field guides and other equipment, the group will explore the unique features of riverbanks, swamps, ponds, bogs, and marshes during this in-depth investigation of the area's water resources. Cost is $150 for members, $200 for non-members and runs July 28 - August 8.

Mattapoisett Historical Museum

Museum Open

The Mattapoisett Museum and Carriage House is part of what makes Mattapoisett "special." The museum, located at 5 Church Street, is housed in an 1821 Meeting House. The entire collection in the museum has a Mattapoisett connection. The oldest item in the museum is approximately 10,000 years old and the newest — an automobile dashboard clock — is from the early 1900s. In between you will find memorabilia from whaling and ship-building days, Mattapoisett's first fire "engine," a chair that belonged to Oliver Wendell Holmes, Jr., and four floors of other fascinating and intriguing things from the town's past.

The Mattapoisett Museum and Carriage House is now open for the summer. The museum, located at 5 Church Street in Mattapoisett, will be open through August 30, Tuesday through Saturday afternoons, 1:00 to 4:00 pm.

Admission to the museum (for non-members) is $3 for adults, $1 for children, and FREE for children under 6.

The special exhibit for the summer is titled "Treasures Of The Collection." As the Exhibit Committee has worked over the past year, they have set aside various items which they consider to be "treasures." These will be the basis for the exhibit. In addition to the "treasures," there will be a section testing the vistors' knowledge of things from the past — *what is it, who used it, how did it work?*

For more information about the museum, please call 508-758-2844 or e-mail **mattapoisettmuseum@verizon.com**. You can also check out their website at **www.mattapoisetthistoricalsociety.org**.

Mattapoisett Community Cookbook

After many months of collecting recipes from area residents, government representatives and local restaurants, the Mattapoisett Congregational Church will start selling a wonderful 250-recipe cookbook in late July, as a fund-raising endeavor to support the church in its service to the community.

The beautiful three-ring padded binder cookbook features treasured recipes in eight different sections. Full color photographs of Ned's Point, the Mattapoisett Gazebo, and the church complement the cover and pages of local history.

In addition to helpful cooking hints and indexes, each recipe will be noted with the donor's names so favorite recipes of friends and residents can be easily located. This cookbook is an ideal gift for birthdays, weddings, showers, holidays, hostess gifts, students away at school, and anyone who loves to cook and collect special recipes.

To reserve and purchase the cookbook, please send a check payable to "The Mattapoisett Congregational Church." The cost is $15 plus $3 for shipping and handling (total $18 per cookbook). If you are able to pick up the book at the church, the cost is only $15 per book.

Mail your check and order information to: The Mattapoisett Congregational Church, 27 Church Street, P.O. Box 284, Mattapoisett, MA 02739. Be sure to include the address where you would like your order sent. Please contact the church at 508-758-6752 with any questions.
